

Big Picture / Layout

Title

Part / Focus

Main theme: "Dashboard"

- ↳ Focus on providing an entire view
- ↳ Each section is equally important
- ↳ If color scheme: basic bluesh

Sheet 2,3,4

Name Tejus

Date 7/10/2024

Title Real estate dashboard

Description

Components / Operations

- ↳ provide filters for each chart
- ↳ allow for multiple views i.e remove and add charts
- ↳ hover tooltips
- ↳ clicking on a chart would bring up sources/methodology

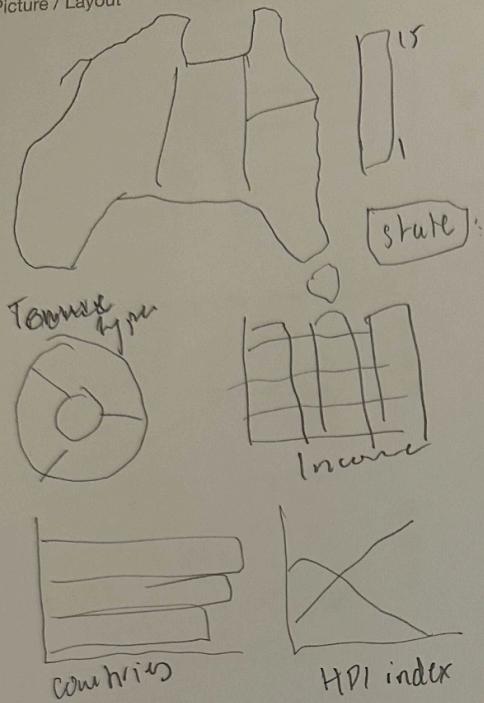

Pro & Cons

- Pros:
- Easy to make
 - Easy to understand
 - clear hierarchy

Cons:

- ↳ No real story
- ↳ can be difficult to engage with the problem

Big Picture / Layout

Part / Focus

→ High focus on the map with supporting ideas

⇒ potentially connect the charts to the different states

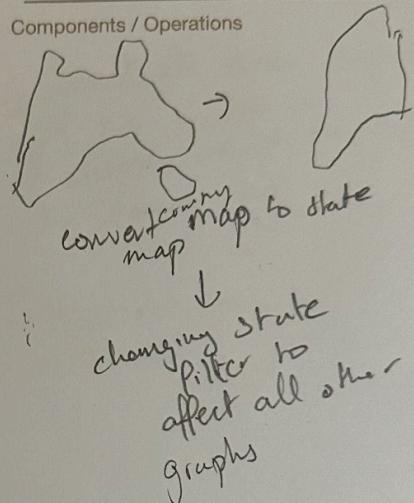

↳ focus on the map allowing for the visualization to be eye-catching

↳ theme: housing situation in different states

Sheet 2,3,4
Name Thyas
Date 7/10/24

Title Housing Situation in Aus
Description

Components / Operations

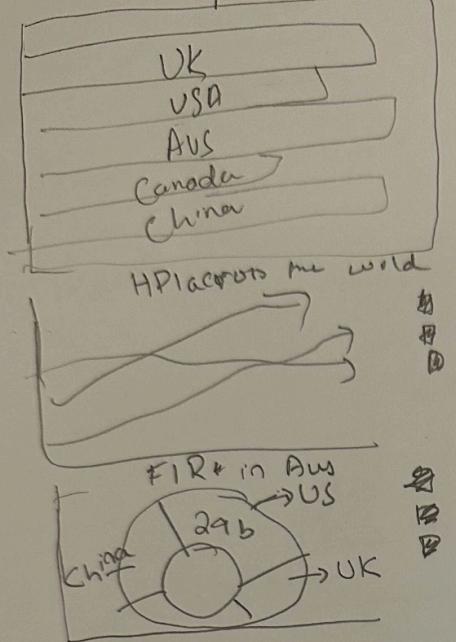

Pro & Cons Pros:

- ↳ clear hierarchy
- ↳ eye catching
- ↳ easy to engage with

Cons:

- ↳ technically difficult to connect so many graphs
- ↳ Doesnt express a story ~~clearly~~

Big Picture / Layout **Property in Aus vs the world**

Sheet 2,3,4
Name Ingrid T. - Vinod
Date 7/10/24

Title Aus vs World

Description

Components / Operations

→ Connect all three legends of the graphs to choose which country to focus on

→ Highlight certain countries

Part / Focus

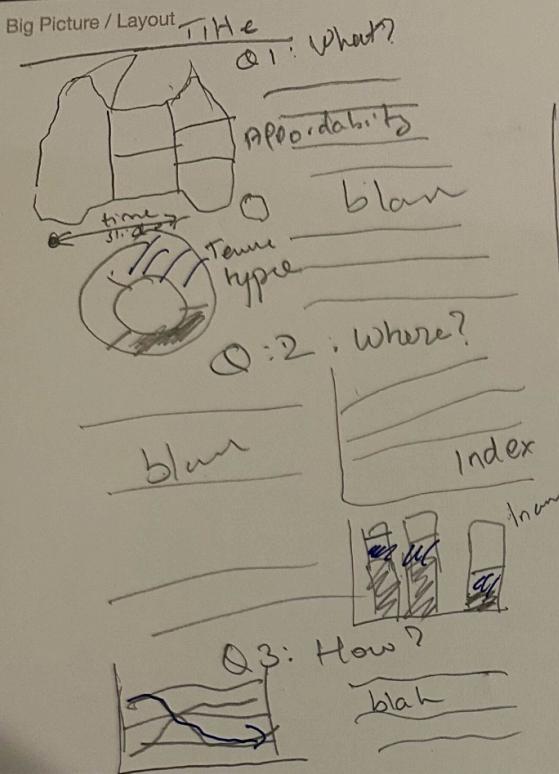

- ↳ No real focus
- ↳ 3 individual parts comparing Aus to the rest of the world
- ↳ can be used to compare Aus vs the world
- ↳ Clear hierarchy and direction

Pro & Cons

- ↳ Understandable story
- ↳ Can be used by a wide audience

Cons:

- ↳ data constraints
- ↳ extremely short / lacking in meaning
- ↳ disconnected graphs

Part / Focus

Focus of this visualization
are the questions.
Each section looks to answer
a question

High emphasis on connecting
the idioms to the story

Sheet 5
Name Thejas T.Veed
Date 7/10/24
Title Housing bubble in Aus
Description

Components / Operations

time slider that connects to both map and donut chart

- ↳ helps user understand impact over time

→ Line chart brush filter to connect the stacked bar chart

- ↳ help compare different situations
